STREET DATE: 09/25/2015

**“Love Is A Hurtin’ Thing”** is the lead off single from **Gloria Ann Taylor’s** upcoming anthology with the ultra-heavy psychedelic soul burner **“Brother Less Than A Man”** on the B-side.

**A1. Love Is A Hurtin’ Thing 3:23**

**B1. Brother Less Than A Man 3:09**

Originally released on Gloria and her husband **Walter Whisenhunt’s** label **Selector Sound** as a 7in single, **“Love Is A Hurtin’ Thing”** features her soaring vocals backed by luscious strings, orchestral horns and a searing guitar. On the flip is **“Brother Less Than A Man”** which sounds like a proto Funkadelic /Parliament psychedelic funk bomb. Pressed as a 7in single on the **House Guests** label, it highlights a grittier side of her singing that matches the song’s depth and intensity. Backed by a rhythm section featuring **Bootsy Collins** and brother **Catfish** who along with Gloria and her husband founded the label after leaving **James Brown’s** band.

Look for the similarly titled anthology of Gloria’s output on the Selector Sound label to drop later in 2015.
