STREET DATE: 09/02/2014

Originally released back in 2007 Shawn Lee's "Hits The Hits" was a success and has gained a bit of a cult following due to his amazing reinterpretations of tunes by Gwen Stefani, Amy Winehouse, Britney Spears, Blur, Badly Drawn Boy, Justin Timberlake, Outkast and many more in his own unique style. Hits the Hits is now available for the first time on vinyl!

The album opens with a collaborative joint featuring piano-master Mick Talbot (Style Council, Dexy's Midnight Runners, etc) on a version of Outkasts "Hey Ya!" that sounds like vintage Ramsey Lewis. Putting his over-stuffed studio to the test Lee pulls out all the stops on an album that includes a surf guitar-driven cover of Missy Elliot's "Get UR Freak On" (already selected by taste-maker producer/DJ Tom Middleton for one his compilations), a full-on psychedelic sitar flavored take on Britney's "Toxic", and stripped-down super funky versions of the Kelis hit "Trick Me" and Timberlake's "Rock Your Body."
