RELEASE DATE: 06/04/2013

Bosq from Whiskey Barons is back with more heat for the dancefloor in the form of a double 12" release. Both feature songs that will be on the upcoming full-length album but also include alternate takes and exclusives to the singles.

"**Movin On**" continues the formula of classic sounding dance grooves with heavy Afro Latin influences throughout on this special all instrumental offering. The first track "Movin On" is a deep latin disco funk tune with a hypnotic rhythm track, lush strings, percussive piano montunos and a horn section riffing somewhere between Fela and early 90's house chops. On the flip, "**Keep Movin**" is an extended mid tempo disco bonus beat grown out of outtakes from the a-side and 3 days stuck inside during a Boston blizzard. A bubbling rhodes line rolls over raw drums and percussion with a bouncy synth bass line on this head nodder.

Be on the lookout for Bosq's full length album debut on Ubiquity in the summer.
