The latest installment from the highly acclaimed and sought after **Rewind!** series features covers of classics such as “**Dreams**” by **Fleetwood Mac** by **Shawn Lee** and **Adrian Quesada’s Electric Peanut Butter Company**, a rousing reggae funk take by **The Lions** and **Noelle Scaggs** of **Lynn Collin’s “Think (About It)”** and **Monophonics’** hit single “**Bang Bang**”. It also includes previously unreleased covers of “**Spill The Wine**” and “**Daytripper**” by jazz-funk master **Johnny Frigo** that were not included on his **Luv N’Haight “Collected Works”** release. **Brownout Presents Brown Sabbath’s** well-received cover of “**Planet Caravan**” and post-punk anti-hero **Black Randy’s** manic interpretation of **James Brown’s “Give It Up Or Turn It Loose”** rounds out the eclectic vibe of the compilation.

Although originally intended to be a digital-only compilation, fans everywhere of the **Rewind!** series demanded a vinyl release so we have them to thank for making **Rewind! 6** available on wax!
